OUR COMMITMENT

Wall of Grace Ministries is committed to "Helping Others Stay On The Wall" by providing financial assistance, counseling, and coaching to faithful pastors, evangelists, and missionaries who we find in a crucial financial situation. This ministry is made possible by churches and individuals who support it. Every dollar given goes toward helping a minister or his family.

TESTIMONIALS

It is a blessing for Wall of Grace to be able to assist the "Old Soldiers of the Cross" who have faithfully carried the Light for many yours but found inflation making their Golden Years financially difficult.

Bro. Noel Edwards has faithfully preached the Word for 67 years and still supplies when able.

"The Wall of Grace Ministries has been a blessing to many servants of our Lord since its birth and continues to be. We are two of those so blessed and are very grateful. It is worthy of anyone's support." Noel and Sue Edwards

Bro. Douglas Nash has been preaching over 53 years and still supplies when able.

"I cannot thank you enough for all that you have done and are doing for my wife and myself. The monthly support makes the difference between food and medicine. I am 81 years old and my wife of 62 years has lived with the effects of a stroke for the past 10 years. May God bless you for thinking of us." Bro. and Mrs. Douglas Nash

Evangelist Don Savell

"My connections with Wall of Grace ministries came at a very crucial time in the Spring of 2005. I had been hospitalized for several days without diagnosis, loosing weight rapidly, thinking of what my family would do about the medical bills, and survival after my decease. My wife went to the mail box and there was a check from Wall of Grace Ministries for \$500.00. In the words of an Old-Timer from Mississippi; "That looked as "Big as a Wagon Wheel!" God helped us over the hurdle of those days and since then we have had the privilege to be on the "Giving" side instead of the "Receiving" side of Wall of Grace. It is truly, 'More blessed to give than to receive!" Don & Sue Savell

Bro. Ron Jackson

"I don't know where I might have been without Wall of Grace because the Lord has always provided, but I am so grateful for the kindness of this dear people and the kindness of Bro. Morris in helping this poor preacher in his time of need. I praise God."

Bro. Eddy Harrison

"A man in our association had a stroke and the same day he had the stroke his wife got the news from her doctor that she had breast cancer. They'd gone through a lot of struggles health-wise and I called Bro. Fred at Wall of Grace Ministries and immediately he sent some words of encouragement along with some assistance for him and it's comforting to me that there's someone I could call that could help out and I thank Bro. Fred and Wall of Grace Ministries for that."
